

MEDICINE BOARD[653]

Adopted and Filed

Pursuant to the authority of Iowa Code chapters 148 and 272C, the Board of Medicine hereby amends Chapter 9, "Permanent Physician Licensure," Iowa Administrative Code.

These amendments define the expedited endorsement process which eliminates the verification of core credentials for a physician who has an unrestricted license in another United States jurisdiction or Canada, who has been in practice for at least five years, and who holds current specialty board certification by an ABMS or AOA board.

The Board approved the amendments to Chapter 9 during a regularly scheduled meeting on October 22, 2009. Notice of Intended Action for these amendments was published in the December 16, 2009, Iowa Administrative Bulletin as **ARC 8379B**.

A public hearing was held on January 5, 2010. Two changes have been made to these amendments since they were published under Notice. Cross references were corrected in paragraphs 9.4(3)"j" and 9.5(3)"j" to read "9.3(1)"c.""

The Board of Medicine voted to adopt these amendments during a regularly scheduled meeting on February 5, 2010.

These amendments will become effective on April 14, 2010.

These amendments are intended to implement Iowa Code chapters 148 and 272C.

EDITOR'S NOTE: Pursuant to recommendation of the Administrative Rules Review Committee published in the Iowa Administrative Bulletin, September 10, 1986, the text of these amendments [9.1, 9.3(1), 9.4 to 9.18] is being omitted. With the exception of the changes noted above, these amendments are identical to those published under Notice as **ARC 8379B**, IAB 12/16/09.
